

# THE EDUCATION IS COVERED. THE CAREER IS PRICELESS.

*Achieve a career in health, behavioral health,  
or social care without going into debt.*

You are already working hard to build your future, and we are here to help you get there. **The Career Pathways Training (CPT) Program is designed to help pay for your education.**

## Thinking About a Career in Health, Behavioral Health, or Social Care?

We are your partner to succeed—we are here to make sure you have everything you need to complete your training and step confidently into the workforce. Whether it's, job placement assistance or career coaching, we are with you every step of the way.

### Why Consider the CPT Program?

The healthcare industry is growing fast, and there has never been a better time to take advantage of its opportunities. With the CPT Program, you will get the skills and training education you need to succeed, all while avoiding the weight of student debt. Plus, support services are available to ensure your academic success and we will help you with job placement in your new title.

### Program Details

Funding is available to pay for tuition after free federal and state aid is applied. It also covers textbooks, supplies, and other fees.

**3**  
YEARS
