

THE EDUCATION IS COVERED. THE CAREER IS PRICELESS.

Advance your career with the CPT Program.

As a professional in health, behavioral health, or social care, you've already made an impact, but now it's time to take the next step. **The Career Pathways Training (CPT) Program is here to support you.**

Why Consider the CPT Program?

The CPT Program covers tuition and education-related expenses, allowing you to obtain the education you need to advance your career—all while avoiding the weight of student debt. In addition, support services are available to ensure your academic success.

Benefits of Advancing Your Career

- **Higher Pay:** Advanced training qualifies you for better-paying roles.
- **Job Security:** Specialization and new skills increase your value in the healthcare field.
- **Professional Growth:** Explore leadership roles or new areas of health, behavioral health, or social care.
- **Work-Life Balance:** Gain access to more flexible positions that fit your goals.

Program Details

Funding is available to pay for tuition after free federal and state aid is applied. It also covers textbooks, supplies, and other fees.

3
YEARS

Three-year commitment of service with a NYS provider that serves at least 30% Medicaid members and/or uninsured.

Participants must apply for and accept FAFSA and TAP, if applicable.
