

THE EDUCATION IS COVERED. THE CAREER IS PRICELESS.

*Your path to a rewarding career in health,
behavioral health, or social care.*

Are you ready to start a career that offers financial stability, long-term job security, and the opportunity to make a difference? **The Career Pathways Training (CPT) Program can help you take the first step on your path to a career in health, behavioral health, or social care – all without the burden of student debt!**

Why a Career in Health, Behavioral Health, or Social Care? Why Now?

The healthcare industry is growing rapidly and there has never been a better time to get involved. By choosing a career in health, behavioral health, or social care, you are not only making a real difference in people's lives every day, you are also securing a future with:

- **Job Security:** These jobs are always in demand, meaning long-term employment opportunities and peace of mind.
- **Financial Stability:** These positions are among the most secure, with competitive wages that reflect your hard work and dedication.
- **Room for Growth:** There is incredible opportunities for career advancement, giving you the chance to grow both personally and professionally.

Program Details

Funding is available to pay for tuition after free federal and state aid is applied. It also covers textbooks, supplies, and other fees.

3
YEARS

Three-year commitment of service with a NYS provider that serves at least 30% Medicaid members and/or uninsured.

Participants must apply for and accept FAFSA and TAP, if applicable.
